benefits

FASTER ABSORPTION

No dietary fiber means BarleyGreen Premium Plus' nutrients get into your system and fill hungry cells faster and with less stress to your body. It's a great way to start the day. Many people get their morning energy boost by drinking BarleyGreen Premium Plus instead of coffee.

helps keep the harmful bacteria count low, but also aids digestion and provides valuable nutrients such as essential fatty acids.

CHICORY'S HEALTH PLUS

Chicory is renown for helping eliminate toxin build-up in the digestive tract while easing the digestion process. One result is healthier skin and more balanced body.

Chicory root in BarleyGreen Premium Plus provides an ideal food for the body's good intestinal bacteria, which not only

FRIENDLY PHYTONUTRIENTS

BarleyGreen Premium Plus and our other products that include organic barley grass, contain many "friendly," inter-active phytonutrients. These include three special types of phytonutrients that research has shown are important, and important to good health: carotenoids, flavonoids, and chlorophyll.
