BARLEYGREEN® VIBRANT WOMAN®

Organic Barley Grass, Chinese herbs,
calcium, magnesium & vitamin D

description

Dr. Hagiwara's Vibrant Woman formula combines organic BarleyGreen with a perfect blend of select Chinese herbs, calcium, magnesium, and vitamin D, all in a combination designed especially for women.

benefits

ORGANIC BARLEY GRASS

Organic young barley grass juice supplies an abundance of vitamins, minerals, antioxidants, amino acids, proteins, active enzymes, and chlorophyll that will help provide your body with essential nutrients, antioxidants and other phytochemicals that help increase energy levels, enhance digestion, promote better-looking hair, skin, and nails and protect the body from free radicals and toxins.

CALCIUM

(carbonate, citrate, amino acid chelate):

Calcium is the most abundant mineral in our body. Most calcium is found in our bones and teeth and the remaining 1% in other tissues and blood. In addition to being a vital component of our bones and teeth, calcium also serves other critical functions including the neural transmission, muscle function, and regulation of the blood's alkaline/acid balance.

MAGNESIUM

According to nutrition experts 75% of the population may be

magnesium deficient. Magnesium is found in the highest concentrations in metabolically active tissues such as the brain, heart, liver, and kidneys. It is also high in bone and muscle tissues. Magnesium plays critical roles in nerve function, enzyme activity, bone density, the body's electrolyte balance, and cardiovascular function.

CHINESE HERBAL COMBINATION

(Dong Quai, Peony root, Atractylodes rhizome, Hoelen, Alisma rhizome, Cnidium rhizome):

This combination of herbs has been widely used in Asia for its beneficial effects on female hormone function.

VITAMIN D

Vitamin D is essential for bone growth, density and mineral balance. Recent research indicates that it may also play a role in fighting degenerative conditions.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Dr. Hagiwara's Vibrant Woman® combines organically-grown young barley grass with a perfect blend of calcium and select Chinese herbs designed especially for women. Ingredients: Juice from organically grown young barley grass, organic maltodextrin (a complex carbohydrate), Chinese herbal extracts (Dong quai, Peony root, Hoelen, Alisma rhizome, Cnidium rhizome, Atractylodes rhizome), calcium, brown rice, magnesium stearate and vitamin D. Contains no added sugar, salt, colorings, or fillers and is free of animal products, gluten, soy, wheat and yeast.

Suggested Use: Take 5 caplets with water or juice on an empty stomach 20 minutes before breakfast. Store in a cool, dry place with lid tightly closed.
